

Living Victoria Fund

Victorian Government's \$50m commitment to smart local water

Apply now for Round Two of the Living Victoria Fund – the Victorian Government's \$50 million commitment to localised water innovation

In Round Two, up to \$15 million is available to help accelerate new alternate water systems across the state. There is up to \$3 million set aside for community led projects and up to \$5 million for projects in Victoria's regions.

To assist with your application, the Office of Living Victoria is holding a series of public information sessions. We invite you to come along and find out more about the submission process and ask any questions you may have about the projects that you're considering to make smarter use of rainwater, stormwater and recycled water for non-drinking purposes.

Session times and locations are:

10 February 2014	1.30pm – 2.30pm	Ballarat
11 February 2014	1:30pm – 2.30pm	Benalla
12 February 2014	10.00am – 11.00pm	Echuca
17 February 2014	5.15pm – 6.15pm	Melbourne
18 February 2014	10.00am – 11.00am	Melbourne
19 February 2014	11.30am – 12.30pm	Traralgon

There will be time at the end of each session for you to speak directly with a member of the Living Victoria Fund project team about your application.

Please forward this invitation on to any other individuals, community groups or organisations who may be interested in making an application to the Living Victoria Fund.

For specific venue information and to register your attendance, please visit [Living Victoria Fund Info Sessions](#) – where you can also check out the Living Victoria Fund Guidelines.

Bring your innovative project ideas – we look forward to seeing you there.
